 Beckyh7633: hold on  
 BaudriR: (as in "the mass of workers")  
 Happens2Care: lisen, is that a new dance?  
 Sieman1125: still, if someone stalks you on the phone, you can always get your number changed  
 CaptainHowdy27: i just was wondering  
 Happens2Care: how does one lisen?

Skipperhl: Calling people online is not dangerous as long as you give them your credit card number and  
BaudriR: or even the electrical usage of an "earth";  
Mas Snav: I want to help you guys become a christian!  
Zzcoolchick: Mas- before you start- preaching and witnessing in this room is considered room

Mas Snav: go to hell  
GHino79193: I saw it  
Greyhuskys: if I give it to one more person...  
Mgibbs35: your pecker turns orange, its wierd  
BaudriR: And, ultimately,  
JeezusShmeeezus: Mas...heaven is such a childish notion..and the threat of hell works only on morons.  
CaptainHowdy27: COOOOL

 Mgibbs35: damndest thing i ever saw  
 Log4109245: Isn't it nice to have Mas here where he can do no harm, instead of going around scaring  
 Happens2Care: and then it falls off too  
 Log4109245: children? ]  
 Mas Snav: is there a book li or  
 TeslaField: bisbelieve  
 RuthGaby: Karra, it's uh...different, it's totally a movie against church and organized religion  
 BaudriR: They do not radiate;  
 JeezusShmeeezus: Mas....hell would be living at your house.  
 CaptainHowdy27: I SHOULD TRY IT SOMETIME  
 BaudriR: on the contrary,  
 KARRAAN2: like sixth sense  
 GHino79193: you guys think too much...just get high  
 BillKatz2: the very concept is outrageous

 BaudriR: History,  
 Skipperhl: Jew canibalists can not eat Kevin Bacon  
 GHino79193: like tats too  
 BaudriR: Culture,  
 Log4109245: I think the Exorcist has helped exorcising religion from a lot of intelligent viewers.  
 Happens2Care: ghino, what did they say about that singer in the movie?  
 BaudriR: Meaning.  
 TeslaField: san, oh man, funny  
 BaudriR: They are inertia,

 GHino79193: I get all mine for free  
 KARRAAN2: ruth would you recommend stigmata  
 Log4109245: Really? I saw the Blair Witch Project, which was very original.  
 BaudriR: In this sense the mass is characteristic of our modernity,  
 Log4109245: Yet, I wasn't really scared, alas.  
 Greyhuskys: Tyg, what are you getting this time  
 BaudriR: as a highly implosive phenomenon,

BIRD OF FAITH: the first established Church

XscatheX: one sec

XscatheX: ill show your

Doowelsl: I am not much inot idols these days

BaudriR: but surviving on the small change of images,

RONEE911: xscathex...yes you can go to heaven - Jesus died and suffered just for you so you could

Agondontor: One is at perfect peace whose mind is stayed on truth, whose mind is stayed on G\_d.

BaudriR: supersition

JazzLady45: Ronee...sometimes we get Gods word, sometimes arguing!

BaudriR: and the devil.

MxetbpX: if your were just a christian then you would be allowed in the gates of HEAVEN!

VERTUAL REALITY: yeah i know shotzy

XscatheX: read Deuteronomy chapter 23, verse 2

XscatheX: read that

Doowelsl: G-d, is this an affectation of early Hebrew?

Shotzy4140: are you a christian vertual?

SCBDMB: Why is having the Bible for an "idol" wrong? It is something you should adore. The Bible

VERTUAL REALITY: yep, born again

RONEE911: jazz...i know - ive been here before - for the last few months

XscatheX: im a bastard, i cant go to heaven and neithre can 10 generations after me

Agondontor: May the love of G\_d the Father, the mercy of G\_d the Son, and tender

Egyland14: Someone say it out loud

Agondontor: ministry of G\_d the Spirit encircle and fill your lives to overflowing that you

SCBDMB: is God's Word.

Agondontor: too, may be known as a friend of G\_d!

XscatheX: go read now

Doowelsl: If G-d, then why not yhwh

BaudriR: Degraded practices with regard to the spiritual wager of faith?

VERTUAL REALITY: and yourself?

XscatheX: thats why i cant go to heaven

RONEE911: jazz...its sad isnt it...people just dont understand how merciful God really is

BaudriR: Indeed.

Egyland14: loud

Shotzy4140: me too and lovin it. It's so nice to have God for me and on my side, you know?

BaudriR: It is their particular way,

JazzLady45: XS...fill your heart with love....

XscatheX: why would i base my life on a fictional book

Doowelsl: But if you are into latinates of early Hebrew, so be it

BaudriR: through the banality of rituals and profane simulacra,

XscatheX: my heart has plenty of love

JazzLady45: Ronee...you are certainly right about that one!

VERTUAL REALITY: yeppers!

VERTUAL REALITY: !\*

MxetbpX: can you quote it for us XscatheX

SCBDMB: Xs, have you ever tried to prove God's Word?

XscatheX: but it has no love for a fictional character

Shotzy4140: God made it too easy to be a christian. Jesus did all the suffering and all we have to do

BaudriR: of refusing the categoriacal imperative of morality and faith,

Doowelsl: y-hw-h, not that would make some sense

XscatheX: yeah

Agondontor: SCBDMB, The "WORD" of G\_d is the very living Spirit of G\_d which dwells within you.

VERTUAL REALITY: especailly when i went through some hard things

Egyland14: xs what's that verse again ??

Shotzy4140: is accept his sacrifice

XscatheX: ill quote it

JazzLady45: XS...and are you truly happy?

XscatheX: one second

BaudriR: the sublime imperative of meaning,

GraceNu: you base your life nOW- on false "book" of SELF's view and opinion- 2nd opinion- God's cant

VERTUAL REALITY: yep

RONEE911: xscatheX...you know nothing of love...When you see Gods light and blood - then you have seen

RONEE911: love

GraceNu: hurt...0 )

MxetbpX: please do

BaudriR: which they have always rejected.

Agondontor: "The Spirit itself beareth witness with our spirit, that we are the children of

Agondontor: G\_d." Romans 8:16

Agondontor: "For as many as are led by the Spirit of G\_d, they are the sons of G\_d." Romans 8:14

Agondontor: ROMANS 8:11 But if the Spirit of him that raised up Jesus from the dead

Agondontor: dwell in you, he that raised up Christ from the dead shall also quicken your

Agondontor: mortal bodies by his Spirit that dwelleth in you.

Happi2BSvd: How long has it been since someone other than Satan has hugged you X?

Doowelsl: What so ever you do to the least of my children, that you do unto me, said the L-rd

BaudriR: It isn't that they have not been able to attain the higher enlightenment of religion:

DESCENS201: im very hurt

Happi2BSvd: ((((((((((X))))))))))

BaudriR: they have ignored it.

Natgat744: Hello Room

JazzLady45: XS...what has Saton done for you lately?

Happi2BSvd: Hi Nat

Egyland14: hi nat

Agondontor: Religion is not a technique for attaining a static and blissful peace of mind;

Doowelsl: g\_d G\_d

Agondontor: it is an impulse for organizing the soul for dynamic service. It is the

Agondontor: enlistment of the totality of selfhood in the loyal service of loving G\_d and

Agondontor: serving man.

BaudriR: They don't refuse to dies for a faith,

BaudriR: for a cause,

Shotzy4140: I love Jesus. Yes I do. I love Jesus. How about you?

XscatheX: Deuteronomy 23:2 "One of illegitimate birth shall not enter the assembly of the Lord; even t

BaudriR: for an idol.

RONEE911: jazz...i love you! You are my sister in Christ...what a beautiful soul you have

XscatheX: to

Agondontor: You may preach a religion "about" Jesus, but perforce, you must LIVE the

XscatheX: the tenth generation

Agondontor: religion "of" Jesus.

VERTUAL REALITY: hehe

BaudriR: What they refuse is transcendence;

Doowelsl: \_n j\_mp\_ng J\_s\_s

XscatheX: of his descendants shall enter the assembly of the lord  
 JazzLady45: ronee...you are the one with the beautiful soul!...  
 XscatheX: there  
 Natgat744: hi egy  
 BaudriR: the uncertainty,  
 XscatheX: u see  
 Agondontor: Jesus does not require his disciples to believe in him but rather to believe  
 Agondontor: with him, believe in the reality of the love of G\_d and in full confidence  
 Agondontor: accept the security of the assurance of sonship with the heavenly  
 BaudriR: the difference,  
 BaudriR: the waiting,  
 XscatheX: i cant go to heaven anyways  
 RONEE911: xscathex...thats not true...Jesus came so that you could  
 Agondontor: Father. The Master desires that all his followers should fully share his  
 Agondontor: transcendent faith. Jesus most touchingly challenged his followers, not only  
 GraceNu: Jesus IS Eternal LIFE- makes bastards..SONS of God- in HIS Eternal Life..(yahoo)...  
 Shotzy4140: gotta go vertual. talk latter.  
 XscatheX: Jesus didnt come so i could  
 XscatheX: wut the hell  
 Agondontor: to believe what he believed, but also to believe as he believed. This is  
 Agondontor: the full significance of his one supreme requirement, "Follow me."  
 VIRTUAL REALITY: ok  
 BaudriR: the asceticism which constitute the sublime exaction of religion.  
 VIRTUAL REALITY: bye bye!  
 Shotzy4140: by  
 XscatheX: jesus has nothing to do with that verse  
 BIRD OF FAITH: every one can go to Heaven if they truely repent of thier sins than is why Christ died for  
 Doowelsl: Anyone figure this out? j\_ p\_ng J\_s\_s  
 Egyland14: xs if u can't then why do u think god died 4 u  
 Happi2BSvd: Jesus came because He loves you X  
 Agondontor: The many religions of earth are all good to the extent that they bring man to  
 Agondontor: G\_d and bring the realization of the Father to man. It is a fallacy for any  
 Egyland14: I mean jesus  
 RONEE911: xscathex...yes he did...he spoke of tradition and said that he ws the true way  
 BaudriR: For the masses,  
 Joby2020: god gave up his son so we could be one in heaven  
 Agondontor: group of religionists to conceive of their creed as THE TRUTH; such  
 Agondontor: attitudes bespeak more of theologic arrogance than of certainty of faith.  
 BaudriR: the Kindgom of God has always been already here on earth,  
 RONEE911: xscathex...God doesnt want any of his children to lose their souls  
 Joby2020: hell is here too!  
 Agondontor: Sectarianism is a disease of institutional religion, and dogmatism is a  
 Agondontor: enslavement of the spiritual nature.  
 BaudriR: in the pagan immanence of images,  
 GraceNu: Jesus BECAME that verse- FOR - you..so you could BE adapted INTO the Eternal Life's ..life!  
 BaudriR: in the spectacle of it presented by the Church.  
 The MagicOf Myth: What is faith Agon.. a beleif in something intangible.. like Evolution..:)  
 XscatheX: no  
 BIRD OF FAITH: us to open the door to forgiveness and Love  
 Happi2BSvd: Amen ronee, and X? You are a child of God. God weeps for you and so do we  
 BaudriR: Fantastic distortion of the religious principle.  
 Egyland14: xs Jesus loves why is it hard 4 u to except that  
 Doowelsl: Agondontor, take you meds and the it will all look better to you  
 The MagicOf Myth: You certainly have no certainty in theory.. you have to put Faith into that which is unknown  
 RONEE911: xscathex...Jesus came and died so that you would have life  
 MxetbpX: but would you want to become a christian XscatheX  
 BaudriR: The masses have absorbed religion by their sorcerous  
 XscatheX: wut ever  
 XscatheX: jesus didnt even come

BaudriR: and spectacular manner of practising it.

ChipperTD: hi everyone

DoowelsI: n\_w n-w, l\_ts b\_ n\_c\_

GraceNu: welcome Chipper

RONEE911: xscathex...once you are baptist and believe in Jesus - you have your birthright

XscatheX: no i wouldnt want to become a christian

XscatheX: i already tried that for 8 years

Happi2BSvd: Hi Chip

BaudriR: All the great schemas of reason have suffered the same fate.

RONEE911: xscathex...your inheritance -

Agondontor: There is not an earth religion that could not profitably study and assimilate

Agondontor: the best of the truths contained in every other faith, for all contain truth.

BaudriR: They ahve only traced their trajectory,

Happi2BSvd: With all sincerity X?

Agondontor: Religionists would do better to borrow the best in their neighbors' living

Agondontor: spiritual faith rather than to denounce the worst in their lingering

Agondontor: superstitions and outworn rituals.

GraceNu: sounds you tried YOUR version of rebirth- relax and let Jesus live FOR ya..!

MxetbpX: then why is a big deal to you.....why argue something false but not even want it

ChipperTD: <— 12/f/south carolina that goes to a christian school

BaudriR: they have only followed the thread of their history along the thin edge

Egyland14: xs look at ur eyes 4 a moment, see how they beautifully and wonderfully made, jesus took

BaudriR: of the social stratum

The MagicOf Myth: you are right.. it is an Extrateristrial message.. sent from one outside our Time domain..

BaudriR: bearing meaning

Egyland14: took time on u cause he loves u

XscatheX: look, god isnt real

DoowelsI: who says we need vowel, or even spaces, theHebrews didn't

The MagicOf Myth: God is not bound by time..

GraceNu: once we QUIT TRYING to live FOR Jesus- THEN, Jesus can live HIS LIFE..FOR us..:0 )

BaudriR: (and in particular of the stratum bearing social meaning)

RONEE911: xscathex...listen my mother had me when she was 16, killed a man and then tried to kill me

Happi2BSvd: He shed blodd because He loves U X

ChipperTD: God is real

Agondontor: The MagicOf Myth, The Spirit of G\_d dwells WITHIN YOU

BaudriR: , and on the whole they have only

DoowelsI: jstrightllyourwordsinwithoutvowelsorspaces

BaudriR: penetrated

RONEE911: xscathex....at the age of 3....by your standards i too dont belong in heaven

RONEE911: xscathex...but i searched for God - and i found him - he was there all along

The MagicOf Myth: ahh yes.. it does.. not in my time.. in his movement into this domain

DESCEN5201: i saw my friend die 14 days ago

BaudriR: into the masses at the cost of their misappropriation,

Egyland14: xs everybreath that u take just proves that god is real

Agondontor: Happi2BSvd, his blood was shed because he was put to death at the hands of ignorant

Agondontor: mortals

DoowelsI: jstrghtllyrwdswthtwls

BaudriR: of their radical distortion.

MxetbpX: but you are going RONEE....and so can you XscatheX

ChipperTD: think of how much more evidence we have that Jesus did walk the earth against your beliefs x

The MagicOf Myth: we tend to look at God in our dimension.. but God is outside it

XscatheX: happi, dont talk to me about bad lifes and how god saved u

DoowelsI: racil distortiion they have long noses?

JazzLady45: Ronee...god love you...even going through all of that and you still found your way to God

XscatheX: i had the worst life of all

BaudriR: So it was with Historical Reason,

Agondontor: The MagicOf Myth, time is only relative to eternity

XscatheX: and god didnt do shit for me

Happi2BSvd: God's there for the asking X, He is giving you the choice. Satan uses trickery

BoBudinger: god is anything we want him to be  
 XscatheX: i did it for myself  
 BaudriR: Political Reason,  
 XscatheX: god didnt get me off of drugs  
 RONEE911: jazz...it wasnt until 4 years ago tho  
 XscatheX: i did  
 BaudriR: Cultural Reason,  
 Happi2BSvd: It's your choice, a very fair and rewarding God.  
 JazzLady45: XS...tell ys about your life, would you?  
 BaudriR: Revolutionary REason, -  
 Doowelsl: We irish have "racial distortion," long noses  
 The MagicOf Myth: Agon.. time is not present in eternity.. see?  
 Eglyland14: xs maybe because u didn't ask  
 Agondontor: The MagicOf Myth, G\_d is infinite and eternal but he has bridged the gap  
 Agondontor: through his Spirit endowment  
 XscatheX: if u want to here it  
 XscatheX: sure  
 XscatheX: ill tell u  
 BIRD OF FAITH: talk to you all again may OUR Lord shine forth from you all  
 BaudriR: so even with the very REason of the Social,  
 JazzLady45: XS...go ahead....  
 Starsktr24: Hello roomies!  
 Doowelsl: Ah the nut talk is going well in here this morn  
 BoBudinger: everyone has their own view of what God is  
 BaudriR: the most interesting since this seems inherent to the masses,  
 Doowelsl: True BoBud  
 Happi2BSvd: I want to hear X, but please, watch the language!  
 XscatheX: while my mom was pregnat with me she was beat daily by a drunk asshole (my dad)  
 Doowelsl: and it may be a veiw that there is no God  
 XscatheX: then  
 BaudriR: and appears to have produced them throughout its evolution.  
 XscatheX: by age 3 she left him  
 The MagicOf Myth: yes God bridged the Gap.. made himself flesh as the bible said.. to make us worthy to come  
 Doowelsl: Or an agnostic might say, "It bests the hell out of me." so to speak  
 Happi2BSvd: She made a good choice X  
 The MagicOf Myth: into his presence  
 XscatheX: soon after i was put into foster care  
 BaudriR: Are the masses the "mirror of the social"?  
 JazzLady45: XS...I am so sorry to hear that...you have hurt a lot inside  
 BaudriR: No,  
 XscatheX: cuz she was on drugs  
 The MagicOf Myth: the Spirit is the eternal part of God dwelling within us.. yes  
 Agondontor: The MagicOf Myth, Eternity is inclusive of all time, it is not separate from it  
 XscatheX: then my shitty dad got me out of there  
 BaudriR: they don't reflect the social ,  
 XscatheX: i lived there for 8 years  
 Doowelsl: If one is simple they may well have a simple God  
 BaudriR: nor are they reflected in the social -  
 XscatheX: saw him beat my step mom while getting drunk and beating us to  
 XscatheX: then  
 The MagicOf Myth: I disagree Agon.. eternity is OUTSIDE of time.. it has no limits that Time would place on it  
 XscatheX: at the time  
 Doowelsl: Is a simple God better than no God at all?  
 BaudriR: it is the mirror of the social which shatters to pieces on them.  
 XscatheX: my mother was in and out of prison  
 XscatheX: for drugs and shit  
 Eglyland14: Xc it says in the bible that " IF MY FATHER AND MY MOTHER REJECTED ME THE LORD WILL  
 XscatheX: i never got to see her  
 The MagicOf Myth: Time is a dimension.. it shifts and changes.. this is proven both theologically and phys-

Egyland14: RECIEVE ME ""  
 Doowelsl: We are like the five blind men and the elephant, we all think we see God  
 Agondontor: The MagicOf Myth, Time and space constrained reality is relative to but  
 Agondontor: also pervaded by infinity and eternity  
 BaudriR: Even this image is not right,  
 JazzLady45: XS...no person should have to go what you have gone through  
 XscatheX: so  
 BaudriR: since it still evokes the idea of a hard substance,  
 XscatheX: when she got here life cleaned up  
 BaudriR: of an opaque resistance.  
 TJames1586: God is life:  
 XscatheX: i wanted to live with her  
 Agondontor: The MagicOf Myth, Time is a constraint upon eternity  
 BaudriR: Rather,  
 Doowelsl: If you see God, you might want to seek help  
 DArro93396: egy-that's not true, GOD will never reject you  
 XscatheX: but my dad wouldnt let me  
 XscatheX: so i ran away  
 The MagicOf Myth: If Time can be changed.. how can it be eternal Agon.. it would place limitations on it  
 BaudriR: the masses function as a gigantic black hole  
 Surfingforchrist: hi room  
 XscatheX: when i had to go back  
 XscatheX: i got kicked out anyways  
 BaudriR: which inexorably inflects,  
 XscatheX: at age 13  
 Egyland14: da i didn't say God will reject anyone  
 XscatheX: then i went to live with my mom  
 Doowelsl: Mass is a blakc hole to you, I find great awe there  
 XscatheX: i got into drugs  
 The MagicOf Myth: I kindly disagree Agon.. time is within the finite  
 BaudriR: bend and distorts all energy and light radiation approaching it:  
 Agondontor: The MagicOf Myth, time IS al limitation uopn eternity, it is a part of it,  
 Agondontor: eternity is inclusive of finite reality  
 XscatheX: but god didnt help me through any of that  
 Doowelsl: I am at times bruched with the wisdom of awe at Mass  
 TW AT BRSM: NEWS FLASH...GOD IS MOVING IN THE CHURCH TODAY...GET IN ON IT NOW!  
 BaudriR: an implosive sphere,  
 TW AT BRSM: REVIVAL HAS COME  
 BaudriR: in which the curvature of spaces accelerates,  
 XscatheX: i got off of drugs by having good friends and selfcontrol  
 XscatheX: not god  
 Doowelsl: The Vatican sold God a new church  
 TW AT BRSM: REVIVAL IS HERE  
 RONEE911: xscathex....wow. God did help you - because you shared this story  
 XscatheX: so THAT MEANS HE ISNT REAL  
 Surfingforchrist: does anyone surf  
 BaudriR: in which all dimensions curve back on themselves  
 Agondontor: The MagicOf Myth, eternity includes past present and future  
 RONEE911: xscathex...thank you for sharing...you are such a strong person  
 JazzLady45: XS...you have truly suffered ..I am so sorry to hear you have been hurt so bad  
 Doowelsl: Did God make Himself?  
 Happi2BSvd: You are a very strong person X  
 RONEE911: xscathex...i admire you  
 BaudriR: and "in-volve" to the point of annihilation,  
 PaulCyp: Doow - there was only one Church - there was no new one to sell  
 Doowelsl: Well who made God?  
 XscatheX: dont feel sorry for me  
 The MagicOf Myth: eternity knows no difference between them Agon..:)

 Ldyofsun: {{{Kim}}}  
 Lilcoop1947: fraid wed lost you last nite

Tinybubba1: naturally this idiot had no profile.. lol... and all he/she is doing is talking nonsense

 Ldyofsun: {{ ahug for shirley}} Hi Bob,  
 Cand1elite: Tiny, didnt see ya  
 BaudriR: We must free the "energy"  
 Cand1elite: Hi

 Ldyofsun: Thanks, cCoop, I am here to stay.  
 BaudriR: for information and security,  
 Lilcoop1947: Im glad lady, you were a help to me the last couple of days  
 BaudriR: in all their forms,  
 Cand1elite: Namvet, Baud?  
 BaudriR: instead of intensifying or creating the "social relation,"  
 Cand1elite: get real, and talk, would ya?  
 Ldyofsun: No profile buadri  
 BaudriR: are on the contrary entropic processes,  
 BHarg01104: sorry kim it ant nothing

 BaudriR: modalities of the end of the social.  
 Cand1elite: looks like he's just practicing his typing.....  
 Lilcoop1947: you know something, baud, the worst kind of intelligence, is not knowing when to use it!  
 Ldyofsun: Thanks Coop, glad I have been. That is whay we are here for.  
 BaudriR: It is thought that the masses may be structured by injecting them with information  
 Ldyofsun: No profile no chat  
 Lilcoop1947: Usually thats the case  
 BaudriR: , their captive social energy is believed to be released by means of information  
 Tinybubba1: I wonder if this guy realizes no one is paying attention to the bullchit he is spouting.. lo  
 Tinybubba1: lolol  
 BaudriR: and messages  
 Lilcoop1947: sometimes the chat ends up one-sided, but then what are you when you talk to yourself only?  
 BaudriR: (today it is no longer the institutional grid as such,  
 Cand1elite: Buad.....i have to say.....you are very unique at your tactics  
 BaudriR: rather it is the quantity of information  
 Lilcoop1947: kind of like a retarded fortune cooke!  
 Cand1elite: i dont think i have ever seen someone come in here and type right from a book!!!  
 BaudriR: and the degree of media exposure  
 Tinybubba1: I wonder where he/she is copying this stuff from... they certainly cant be typing that fast.  
 Cand1elite: he's probably so busy watching his fingers type that he doesnt see us.....  
 Cand1elite: OOOOOOH MAN>>>>>>.  
 BaudriR: which measures socialisation).  
 Tinybubba1: and using such eloquent woids..  
 BaudriR: Quite the contrary.  
 Oylwife1: some people have no life - which is sad  
 Cand1elite: WHAT if he thinks he is in MS Word, just typing a letter or something!  
 BaudriR: Instead of transforming the mass into energy,

Cand1e1ite: Does he know he is in a chatroom?  
 Cand1e1ite: Does he have a personality???  
 Lilcoop1947: others just dont know how to use the life they have..i rest my case  
 Cand1e1ite: DOES HE HAVE SPELL CHECK???  
 BaudriR: information produces even more mass  
 Tinybubba1: hhahahahahaahahah  
 Cand1e1ite: Wow.....im LOVING RED today.....filling up the screen, here...  
 Cand1e1ite: nice  
 BaudriR: . Instead of informing as it claims  
 Cand1e1ite: for those of you who dont know me, i am an artist  
 BaudriR: , instead of giving form and structure,  
 Ldyofsun: It is from a book I have read it before our sons socialology book from college.  
 Tinybubba1: he's using Copy and Paste.. he can not possibly believe the CRAP  
 Cand1e1ite: CHIT, Baurd.....your typing should be getting faster, that this.....this sucks....taking  
 Cand1e1ite: too long  
 THOMAS 302: who is a nam vet  
 BaudriR: information neutralises even further the "social field";  
 Cand1e1ite: \*hint\* use the spell check, baud  
 BaudriR: more and more  
 Cand1e1ite: gets more respect  
 Tinybubba1: he's copying this stuff out of a book.. Im sure of it. .lol.. look at the woids he's using..

Shadowmeres: khan i didnt even rember he had a daughter, i remeber the wife  
 BaudriR: and above all since 1929

Shadowmeres: nope minds a blank  
 Arkane0007: so, I could call you a poo poo head, Shadow, and you wouldnt even notice  
 Khan Slayer: yeah, he raped that woman in the first book, remember?  
 Arkane0007: because you're not even reading what Im writing  
 BaudriR: the social arose out of this crisis of demand:  
 Ladyknight8723: dang my sis is networking me again gotta rocket bye  
 Willow739052811: bau what r u talking about  
 Shadowmeres: no ark i havent read the amber thing  
 BaudriR: the production of the social itself).4  
 Willow739052811: oh ok  
 BaudriR: For a long time  
 Shadowmeres: no khan i dont rember that, im confused now when did he do that?  
 Arkane0007: Shadow, you really ought to read the Amber series...it's great  
 BaudriR: it was enough  
 Khan Slayer: in the first book, he ended up in the dude's house, and he had a daughter, and he fucked her  
 BaudriR: for power to produce meaning  
 Arkane0007: my my, such delicate language, Khan  
 Shadowmeres: like i say i keep having to begin from the start cause i forget it, nbut i didnt hink id for  
 BaudriR: (political,  
 Arkane0007: you're a true vulgarian, arent you?  
 Shadowmeres: forgotten that much  
 BaudriR: ideological,  
 Khan Slayer: Oh, yeah, he fucked his daughter, too.  
 BaudriR: cultural,  
 Khan Slayer: Which is sort of funny.  
 BaudriR: sexual),  
 Khan Slayer: Um.  
 BaudriR: and the demand followed;  
 Arkane0007: Baudri, what sort of diatribe are you ranting on about?  
 Khan Slayer: I mean, he fucked the daughter of the dude, and then he came back, and he fucked his own  
 BaudriR: it absorbed supply and still surpassed it.  
 Khan Slayer: daughter. That makes sense now.  
 Willow739052811: yes that does now khan'  
 BaudriR: Meaning was in short supply  
 Arkane0007: Khan, that's just wrong  
 Arkane0007: Khan, I heard a rumor about you...  
 Ladyknight8723: i'm back i shut my sisters computer down  
 BaudriR: and all the revolutionaries offered themselves to produce still more.  
 Arkane0007: that you're just 15 yrs old?  
 Khan Slayer: Arkane, it's a book. What do you want me to do about it?  
 BaudriR: Today  
 Arkane0007: any truth to that?  
 Khan Slayer: Yeah, Arkane.  
 Arkane0007: well, you could stop saying fuck all the time  
 BaudriR: everything has changed:  
 ReddestBaron: ark? get over yourself  
 Arkane0007: it loses its shock value after the first 5 or 10 times, you know  
 Khan Slayer: Arkane, having sex would imply that there was some love in the copulation.  
 BaudriR: no longer is meaning in short supply  
 Willow739052811: khan do u have any siblings  
 Khan Slayer: No, Willow.  
 Arkane0007: no, Khan, it wouldnt  
 Shadowmeres: Khan i must have lost more brain cells than i thought an uni, cause i am at a loss with the  
 BaudriR: it is produced everywhere  
 Shadowmeres: daughter part  
 Arkane0007: having sex would imply that they were having sex  
 BaudriR: in ever increasing quantities

Arkane0007: if you had used the euphemism "making love", then, yes, you would be implying that there was  
Arkane0007: some love involved in the copulation  
BaudriR: - it is demand which is weakening.  
Willow739052811: ok which is better ark  
Khan Slayer: Well, it would imply that there was some purpose other than pleasure, which there wasn't.  
BaudriR: And it is the production of this demand for meaning  
Khan Slayer: It was an animalistic sex.  
ReddestBaron: ark? tia has just said you're being a white prick! ha  
Ladyknight8723: it really doesn't matter it's still sex  
BaudriR: which has become crucial for the system.  
Arkane0007: who is tia?  
BaudriR: Without this demand for,  
ReddestBaron: ctesyllaselysium  
BaudriR: without this susceptibility to,  
Arkane0007: well, I'd say that saying that they'd had incestual sex would've been enough  
Khan Slayer: ShiningMinkoa was easier to pronounce.  
Shadowmeres: god damn it redd how did you spell that with such ease?  
Arkane0007: in the case of father/daughter sex  
Arkane0007: or was it rape, Khan?  
BaudriR: without this minimal participation in meaning,  
Arkane0007: rape is rape  
ReddestBaron: lol shad, she trained me  
Arkane0007: let's not mince words  
BaudriR: power is nothing but an empty simulacrum  
Khan Slayer: Rape is a form of copulation, too.  
BaudriR: and an isolated effect of perspective.  
Shadowmeres: i can get the ctes and then im lost  
Khan Slayer: And it really isn't uncommon, outside of humanity.  
Arkane0007: true, but let's keep things in perspective  
Khan Slayer: Animals rape each other.  
Shadowmeres: so i stick to tia  
BaudriR: Here,  
BaudriR: too  
Willow739052811: no khan it is a violent crime  
Arkane0007: if you just go around saying "fuck" all the time, no one's going to take you seriously  
Arkane0007: especially when you want them to  
BaudriR: the production of demand is infinitely more costly  
Khan Slayer: Willow, haven't you seen sharks copulate?  
Khan Slayer: That's very violent.  
BaudriR: than the production of meaning itself  
Arkane0007: actually, Khan, they dont rape each other...only people rape  
BaudriR: .  
Arkane0007: animals copulate  
Willow739052811: no i havent lol'  
BaudriR: Beyond a certain point  
Arkane0007: rape is a human concept  
Ladyknight8723: Khan she is right it's ok to swear but not all the time  
Khan Slayer: Arkane, isn't rape sex with one unwilling partner?  
BaudriR: it is impossible  
Khan Slayer: Am I swearing right now, Lady?  
ReddestBaron: ark?? you are an idiot!  
BaudriR: all the energy mustered by the system will no longer be enough.  
Ladyknight8723: only in the human sense  
Arkane0007: true, but at the same time, in the animal kingdom, sex is often not entirely consensual  
ReddestBaron: its an animalistic, ID urge  
Arkane0007: amonst animals  
Shadowmeres: not ark when apes and moneys, when the domiant male is over thoughn the new male rapes his f  
Khan Slayer: Exactly, Arkane.  
Ladyknight8723: no but you do swear an awful lot

Khan Slayer: Freudian psychology died with ritalin, Redd.  
 BaudriR: The demand for objects and for services  
 Shadowmeres: females to show his dominance  
 BaudriR: can always be artificially produced  
 Khan Slayer: Not with, but, rather, because.  
 BaudriR: at a high  
 Arkane0007: and you're an idiot, Red, for using such an outdated psychological concept  
 ReddestBaron: right along w/ nietzsche?  
 BaudriR: but accessible cost;  
 Khan Slayer: I didn't say it wasn't interesting.  
 BaudriR: the system has proved this.  
 Willow739052811: my brain is too tired for this  
 BaudriR: The desire for meaning  
 Arkane0007: well, Willow, what would you like to talk about?  
 Willow739052811: lol  
 Arkane0007: I'm more than willing to drop the subject, since I didn't bring it up  
 BaudriR: when it is in short supply  
 Khan Slayer: Yes you did, Ark.  
 Khan Slayer: Well, the whole rape thing.  
 Willow739052811: it's just a sensitive subject to me  
 BaudriR: and the desire for reality  
 Arkane0007: actually, Khan, you brought it up  
 Willow739052811: my best friend was raped  
 ReddestBaron: okay, boys, grow up  
 BaudriR: when it is weakening everywhere  
 Khan Slayer: Yes, but at which point did you get the idea I was talking to you?  
 ReddestBaron: who cares who started it?  
 Khan Slayer: You started the whole debate, Arkane.  
 BaudriR: cannot be made good  
 Khan Slayer: I do, Redd.  
 Ladyknight8723: ok you both brought it up we don't need another debate ojk  
 BaudriR: and together threaten  
 Ladyknight8723: \*ok  
 ReddestBaron: I'mao, okay khan  
 Arkane0007: I've known women who were raped also, Willow...it's extremely devastating to a woman's self  
 BaudriR: total ruin.  
 Arkane0007: esteem  
 ReddestBaron: ark? how about men?  
 BaudriR: The mass absorbs all social energy  
 Arkane0007: men too, Red  
 Willow739052811: yes but this happened one day before her divorce  
 BaudriR: but no longer refracts it.  
 Willow739052811: and it was her ex hubby  
 ReddestBaron: so it's not devastating to men, just to women?  
 BaudriR: It absorbs every sign and every meaning  
 Arkane0007: Willow, I am sorry to hear that  
 Willow739052811: and they didn't do a thing to him  
 BaudriR: but no longer reflects them.  
 Willow739052811: 'he broke her nose and arm too  
 Arkane0007: I already said it was, Red, weren't you paying attention?  
 Ladyknight8723: ok drop the subject and pick up a new one please  
 BaudriR: It absorbs all messages and digests them.  
 Arkane0007: scroll back  
 ReddestBaron: you said "women"  
 Khan Slayer: Aquaman: hey, you're Clark Kent aren't you?  
 Khan Slayer: Superman: what? NO.  
 Arkane0007: hey, I already said I'd drop it  
 Khan Slayer: Superman: we have different email addresses you fool  
 BaudriR: For every question put to it

Arkane0007: I sure dont, Red  
CtesyllasElysium: you should be, ark  
BaudriR: The mass is dumb like beasts  
ELLISONfm: shadow, everything ok?  
Arkane0007: I am, believe me  
ReddestBaron: you sure give that aura Ark, just a thought though  
Arkane0007: now, can we put the whole rape discussion to rest?  
CtesyllasElysium: no!  
ReddestBaron: why? it bothers you?  
CtesyllasElysium: paul lets talk about rape!  
Shadowmeres: i tired  
BaudriR: and its silence is equal to the silence of beasts.  
HONEYJ7106: hi  
Arkane0007: sometimes, Red, I do have an opinion, and I dont mind expressing it  
Arkane0007: even when it's unpopular  
ReddestBaron: and so do I  
BaudriR: Despite having been surveyed to death  
CtesyllasElysium: whats your opinion?  
ELLISONfm: sorry youre tired  
ReddestBaron: and why does rape bother you?  
BaudriR: ,  
Arkane0007: I think that if we only listen to what we want to hear, then we're deluding ourselves  
BaudriR: the information,  
ReddestBaron: exactly Ark, so let's discuss rape, okay?  
Arkane0007: so, I take it that the idea of rape doesn't bother you, Red?  
CtesyllasElysium: thats your opinion on rape?  
ELLISONfm: grrrrrrrr  
ReddestBaron: to save you from self delusion  
ReddestBaron: discussing rape doesnt bother me, no  
CtesyllasElysium: wait dammit, tell me your opinion on rape  
BaudriR: to which it is submitted is equivalent to experimental torture on laboratory animals  
Arkane0007: Red, I think I've expressed my opinion on rape  
Arkane0007: and Im done talking about it  
ReddestBaron: express it again  
Arkane0007: scroll back  
CtesyllasElysium: but ark?  
CtesyllasElysium: im not red  
CtesyllasElysium: im ctesylla  
ReddestBaron: why? you just said if we always talk about what we want to hear.....  
CtesyllasElysium: so explain to ME  
ReddestBaron: then we're deluding ourselves  
BaudriR: it says neither whether the truth is to the left or to the right  
ReddestBaron: so quit deluding yourself  
ReddestBaron: and discuss it  
Arkane0007: I believe I already expressed the opinion that it is reprehensible  
Arkane0007: and regrettable  
Khan Slayer: Back.  
ReddestBaron: so express it again!  
BaudriR: nor whether it prefers revolution or repression.  
Khan Slayer: It's fucked up.  
Shadowmeres: khan dont you get indigestion eating so quick?

ROCK4POWER: BLAIR..i think CALS are most important  
 BaudriR: Mass and Terrorism  
 ROCK4POWER: most guys take in TOO Much protien..but not enough cals  
 BlairDOGG: rock.. well in essence protein contains calories  
 ROCK4POWER: you need protien..since protien is the ONLY thing that will grow NEW LEAN MASS Tissue  
 BaudriR: We are therefore at the paradoxical point  
 ROCK4POWER: HOWEVER? you need 3,000 calories..in addition to NORMAL burn ra\tios to BUILD that LEAN mass  
 BaudriR: where the masses refuse  
 ROCK4POWER: BLAIR..protien is a POOR form of cals..fat is SUPERIOR  
 BaudriR: the baptism of the social  
 BaudriR: ,  
 BlairDOGG: rock.. tru very tru.. what are your feelings on cardio activity?  
 ROCK4POWER: you need CALS for maintence..and BUILDING and ENERGYISING the body  
 BaudriR: which is also that of  
 ROCK4POWER: BLAIR..never  
 ROCK4POWER: CARDIO is stupid  
 BaudriR: meaning and liberty.  
 ROCK4POWER: total waste  
 BlairDOGG: rock.. how so  
 BaudriR: Let us not mkae them into a  
 BaudriR: new and glorious reference.  
 ROCK4POWER: BLAIR..cardio is aerobic..therefore? it LOWERS TEST PRODUCTION..and GH levels  
 ROCK4POWER: BLAIR....cardio also burns LESS fat than lifting  
 BaudriR: For one thing,  
 ROCK4POWER: LIFTING elevates TEST PRODUCTION..and GH production..(growth hormone burns fat)  
 BlairDOGG: tru very tru.. plus u never see any muscular runners  
 BaudriR: they don't exist.  
 ROCK4POWER: BLAIR>..never  
 BaudriR: But note that all power silently flounders  
 ROCK4POWER: I was a distance runner...in junior high..NO MASS  
 BaudriR: on this silent majority,  
 BlairDOGG: BaudriR.. r u high?  
 ROCK4POWER: Ive trained MORE bodybjlders..to poewrlift..that got BIGGER>..and LEANER

BaudriR: which is neither an entity  
ROCK4POWER: without cardio  
DrSmith520: Hi All  
BlairDOGG: sup doc  
ROCK4POWER: CARDIO if fine...8-12 weeks out from COMP  
BaudriR: nor a sociological reality,  
DrSmith520: Hi Blair  
ROCK4POWER: if your a bodybuilder..but thruout the year? NO  
ROCK4POWER: DR  
BaudriR: but the shadow cast by power,  
BaudriR: its sinking vortex,  
DrSmith520: Hi ROCK4  
BlairDOGG: BAUDRIR.. R U HIGH?  
DrSmith520: Hi JackC  
BaudriR: its form of absorption.  
ROCK4POWER: the problem that bodybuilderws have (younger guys)..they dont want to LOSE cuts  
BlairDOGG: BAUDRIR.. ur talking nonsense  
BaudriR: A nebulous fluid,  
ROCK4POWER: to gain mass..they THINK they can do both at the same time..which they CANT  
BaudriR: shifting,  
BaudriR: conforming,  
BlairDOGG: rock.. not even a little cardio to wake you up before lifting  
BaudriR: far too conforming to every solicitation  
ROCK4POWER: BLAIR....no  
ROCK4POWER: BLAIR..you dont need it  
BaudriR: and with a  
BlairDOGG: rock.. how u get in the mood when your tired?  
ROCK4POWER: BLAIR..anything you do aerbocially..will LOWER test  
BaudriR: hyperreal conformity  
ROCK4POWER: BLAIR..i never train in the morning..first of all..2nd? i ONLY train 2 times weekly  
BaudriR: which is the extreme form of non-participation:  
BlairDOGG: tru  
BlairDOGG: i hear ya  
BaudriR: such is the present calamity of power.  
BlairDOGG: rock.. what is that fool talking about?  
BaudriR: Such is also the calamity of revolution.  
ROCK4POWER: BLAIR..most guys who are training 5 days a week..BURNOUT mentally and physically  
BaudriR: For this implosive mass,  
ROCK4POWER: BLAIR..hes expousing his inner feelings  
BaudriR: by definition,  
BlairDOGG: rock... yeah most of those guys bench like 3 days a week  
BaudriR: will never explode  
ROCK4POWER: BLAIR..totally ignorat...and notice? those guys NEVER gain  
BaudriR: and every revolutionary promise  
BlairDOGG: tru  
BlairDOGG: very  
BaudriR: will implode into it  
BlairDOGG: rock.. what if u train 5x's a week but do different body parts each day  
BaudriR: as well.  
ROCK4POWER: BLAIR..doesnt work....your OVERTRAINING.you will NEVER gain like that  
BaudriR: In consequence,  
ROCK4POWER: Your burning yourself up  
BaudriR: what is to be done with these masses?  
ROCK4POWER: ALSO? even if yo ubench on monday? squat on tuesday...too many  
BaudriR: They are the leitmotif of every discourse;  
ROCK4POWER: secondary and auxiallary muscles..affect other lifts  
BlairDOGG: rock.. so u like 2-3 days training.. like push/pull/leg days  
BaudriR: they are the obsession of every social project;  
ROCK4POWER: BLAIR..we bench on mondays....etc....and squat thursdays

BaudriR: but all run aground on them,  
ROCK4POWER: simple  
BlairDOGG: rock.. but on chest day do u do shoulders also  
BaudriR: for all remain rooted int eh classical of the masses,  
ROCK4POWER: 5 days a week is INSANE  
ROCK4POWER: BLAIR...no  
BaudriR: which is that of an eschatological faith  
Bballazgirl777: guys with pics press 123  
Bballazgirl777: please  
ROCK4POWER: I do shoulders..AFTER squatting..perfect transition..youjhve had ALL that weight  
BlairDOGG: rock.. or is it like a pull day and push day  
ROCK4POWER: on your back? so pressig feels MUCH lighter  
BaudriR: in the social and its fulfillment.  
ROCK4POWER: BLAIR..i dont do it like that  
ROCK4POWER: I change up  
ROCK4POWER: i SEPERATE my core lifts  
BaudriR: Now,  
BlairDOGG: rock.. is that a good form of lifting though.. push/pull/legs  
ROCK4POWER: I deadlift usually on squat day..if its a light day  
BaudriR: the masses aren't the social,  
BlairDOGG: 3 days  
ROCK4POWER: 3 days is too much in my opinion  
BaudriR: they are the reversion of any social  
ROCK4POWER: ulness on the middel day your doing abs..or something neutral  
BaudriR: and of any socialism.  
BlairDOGG: rock.. what if u dont have enough time  
ROCK4POWER: BLAIR...to train 2 days per week? LMAO  
BaudriR: Enough theorists have criticised meaning,  
BaudriR: denounced the traps of liberty  
BlairDOGG: rock.. i guess but you gotta be psyched to give yourself the energy  
BRICKNYCE: rock do you do the explosive form of liftlin with 60 % of the max like simons suggests?  
BaudriR: and the mystifications of the political,  
ROCK4POWER: BLAIR..at 2 days a week? i find that my lifters.are VERY EXCITED to lift  
BaudriR: radically censured rationality  
ROCK4POWER: we lift less often? so their VERY ENERGIZED..and glad to be i the gym  
SOLDiErOfF0RtuNe: i'm just a kid!

Zombytroof: Person from Florida here. I knew this state had problems, but Jay-sus!  
BaudriR: ...Or the End of the Social  
LIB NYC: Zomby, we're sorry.  
Picklex: Florida Allows A Judge To Order Just about Anything To Do With Elections  
Buffyee: Mp...probably..has a taco next to Gore's name  
Ed031639: <Do need to check Fla for Illegal Aliens voting as I'll bet many did!  
BaudriR: The social is not a clear and unequivocal process.  
Zombytroof: No, no, WE'RE sorry! lol  
Joel6000: ZOMB::::: All States have problems  
BaudriR: Do modern societies correspond  
BaudriR: to a process of socialisation  
Buffyee: Hsh..why? its politics...  
Jukeboxhero57: this shit will go on til 2001  
LIB NYC: Ed, our former AG tried that one when he lost a close election 2 years ago  
BaudriR: or to one of progressive desocialisation?  
Zombytroof: FL just happened to be the big one they called to early.  
NMoldCoot: Zom-we have similar problems in NM, but our electoral votes will not affect outcome  
LIB NYC: Because we all know how closely those illegal aliens follow AG races  
Davvgbert: Zomby. my state has been moved to "undecided" because of ballot problems  
Buller2710: just might juke :(  
Hshermanmedia: Buffy-demanding to re-vote is not just politics, goes beyond that

Buffyee: Hsh..no revote..aint gonna happen  
BaudriR: Everything depends  
GreatWASP: Here they come around the bend coming in to the home stretch. Bush ahead by a nose.  
BaudriR: on one's understanding  
BaudriR: of the term  
Mphmb: gore  
LudenHQ: Hsher, demanding to revote has nothing to do with politics.  
BaudriR: and none of these is fixed;  
Hshermanmedia: Buffy-hope not, hope the loser of the recount has some stones and concedes  
DayBeDamnd: CNN: James Baker, will respect FL law, awaits absentee votes  
Joel6000: Zomb:: That's why Nixon resigned!! he knew ability to govern was destroyed

BaudriR: all are reversible.

Davvgbert: Lib. computer programming.. did not record straight party votes

Buffye: Hsh..let's hope

Mphmb: day - how many of them>?

NMoldCoot: MPH-think NM is still shown "Gore", but absentee ballots may change that

LIB NYC: Davv, oops. That's a problem I'd say.

BaudriR: Thus the institutions which have sign-posted

Jukeboxhero57: clinton, gore hillary and reno all lawyers this aint gonna blow over

Hshermanmedia: Buffy-with tons of lawyers running around that's a big hope

Davvgbert: Lib. indeed.

BaudriR: the "advance of the social"

Mphmb: nm - that close?

DRedd38019: DAVV I'll lmao if Bush takes NM

Picklex: Mr Baker The Ballot Was Illegal None The Less

LIB NYC: Davv, so NM isn't going for Gore afterall.

NMoldCoot: Mph-yep

Buffye: ..if they demand revote...then Bush should demand USA recount

Davvgbert: Dredd. I think that is unlikely

BaudriR: (urbanisation

LIB NYC: Confused us up here in NY for a bit

BaudriR: , concentration,

Mphmb: nm - well there are a number of states that were close.

BaudriR: production,

Davvgbert: Lib. my bet is that Gore gets NM, but its uncertain

Mphmb: nm - mich by less than 20,000

BaudriR: work,

Zombytroof: Plenty of lawyers on both sides Juke. This is not going to end quietly.

Jukeboxhero57: dont all states have "overseas" voters????

BaudriR: medicine,

Hshermanmedia: Buffy-no, I hope that doesn't happen, somebody has to be an adult and step u[

BaudriR: social security,

LIB NYC: Davv, right.

Buffye: ..how can they print a sample ballot and they say the real one was illegal..didnt they look?

BaudriR: insurance,

LIB NYC: Davv, when NM went for Gore the entire place I was in went silent

BaudriR: etc.)

Zombytroof: Lawyers again Buffyee

NMoldCoot: NM absentees historically have favored GOP, but Dems workde hard to get out absentee vote th

BaudriR: including capital,

Hshermanmedia: Buffy-good point....don't have answer to that one

LIB NYC: There really was a HUGE deal of confusion there.

NMoldCoot: this year

Joel6000: Mphmb:: Don't you think George will go to Mich> if he needs too??

BaudriR: which was undoubtedly the most effective

Mphmb: damm absentee ballots could change a number of states if not already counted

BaudriR: socialisation medium of all,

DRedd38019: DAVV The difference in NM was about 5,000 voted, right?

Davvgbert: Lib. Gore has a 15,000 vote lead in NM.. much larger than in FL..

BaudriR: could be said to produce and destroy

Jukeboxhero57: cant believe nevada went for bush??????we DONT want nuke waste dump here!!!! duh

DRedd38019: votes

LIB NYC: Davv, OK

Buffye: ..running a dead man in Missouri was illegal...whats happening there?

Buller2710: BRB

BaudriR: the social in one and the same movement.

GreatWASP: I hope the black helicopters are not called out.

Mphmb: there were over 200,000 absentee ballots in fl?

Ed031639: Bush lead 830

Hshermanmedia: Buffy-how would you like to be Ashcroft? Losing to a corpse?

Zombytroof: It'd be nice if we could announce winners after the votes were counted instead of before.

LIB NYC: Every election night NY'er start celebrating while the NE closes and then doesn't pay

Mphmb: they are not counted?

Davvgbert: Lib. my \*guess\* is that NM went for Gore when the votes are in. but... hey.. its uncertain

BaudriR: If the social is formed

MtGoat1176: 799

BaudriR: out of abstract instances

LIB NYC: attention again until around midnight

Joel6000: Buffy:: CNN not talking much about St. Louis Poss. Fraud!! interesting

GreatWASP: Reno is going to raid the counting room in Florida.

BaudriR: which are laid down

Buffyee: Hsh..it sucks....but he accepted it like a MAN

Zombytroof: FL has large military presence.

Joel6000: It's Dem county

BaudriR: one after the other

Ed031639: Mt nope new count is 830

BaudriR: on the ruins of the symbolic

Zombytroof: Thus many absentee ballots.

Jukeboxhero57: all ballots should include thumbprint and be computer scanned

Hshermanmedia: Buffy-I agree, accept the result and move on, no whining

MtGoat1176: 799

Buffyee: Joel..yes...dead man on ballot illegal according to Missouri law\

LIB NYC: Just figure that between 9 and 11 all the square states will go Repub.

BaudriR: and ceremonial edifice of former societies,

MtGoat1176: cnn

GreatWASP: Reno is going to surround the counting room and demand that they the Proper numbers be reported.

GreatWASP: ed.

Mphmb: great - reno has already made her name in fl concerning illegal voting.

Zombytroof: We even had a Navy base in Orlando! 35 miles inland!

Davvgbert: Zomby. also many dualcitizen votes in Israel by absentee.

Ed031639: Mt, new results on CNN

DRedd38019: DAVV I read Gore was up by 5,013 after Nov 7th?

BaudriR: then these institutions produce more and more of them.

Joel6000: Buffy:: More interesting CNN almost ignoring it

BaudriR: But at the same time

Davvgbert: DRedd. let me check.. brb

Zombytroof: Didn't think of that Davv, thanks.

BaudriR: they consecrate that ravenous,

Mphmb: cnn = clinton nononsense news

Buffyee: ..Budda tells Reno..do to Fla and tell them ther is no legal ruling authority

BaudriR: all-consuming abstraction

Jukeboxhero57: dont all states have absentee and overseas ballots still uncounted???

Hshermanmedia: Buffy-Ashcroft must figure if he can't beat a dead guy what's the use of another vote?

Zombytroof: Yes Juke.

Ed031639: Juke, yes

BaudriR: which perhaps devours precisely the "essential marrow" of the social.

Mphmb: juke - i thought they were counted already?

JLdrgm: is this mess sorted out yet?

BaudriR: From that point of view,

Buffyee: Hsh..he has a hell of a case..but Mo would not any Senate reps then

Jukeboxhero57: ok, way dont we wait across nation then???

BaudriR: it could be said that the social regresses

Zombytroof: Because scoops = VIEWERS!

NMoldCoot: I like CNN news-Wolf Blitzer does OK-doesn't seem biased to me

Jldrgm: our founding fathers had great foresight to establish this systeme

DRedd38019: JUKE Yes. PA and Michigan have not counted the absentees. Bush could still take those states

Hshermanmedia: Buffy--he does have a case, but the point is he accepted the results and moved on

BaudriR: to the same degree as its institutions develops.

Zombytroof: and viewers = ADVERTISING DOLLARS!

Buller2710: what was it on absentee ballots 6 days frommidnite

Buffyee: CNN..Clintons News Network

Mphmb: nm - i watch pbs the most

Ed031639: Slightly more'n 1/2 of counties counted, 830 votes diff & this is killing me!

BaudriR: The process accelerates

Buffyee: Hsh..sign of a real patriot..lets see what Albert does

LIB NYC: Ed, imagine hwo Bush and Gore feel

Mphmb: nm- i like there format better and it is an hour

BaudriR: and reaches its maximal extent

Jukeboxhero57: i think all voters should be fingerprinted and scanned into computers, no fraud that way

BaudriR: with mass media and information.

Zombytroof: I don't know Buffyee. CNN was on Bush Srs. side in '88

WELLSY6: Yee Ha everybody!!!!

BaudriR: Media,

Hshermanmedia: Buffy--That will be very interesting to see what he does

Joel6000: Hrsh::: I heare St. Louis counted the twice punched ballots!! :))

Mphmb: nm - i like to listen to shields and gigot

BaudriR: all media,

Jldrgm: Gore and Bush cancel each other out!! McCAIN IS PRESIDENT

BaudriR: information,

Buffyee: Hsh...Im worried about Gore...he wants this TOO much

GreatWASP: I am starting up my black helicopter in my back yard.

Hshermanmedia: Joel--lets recount

NMoldCoot: Mph--I also watch Leher--Fox under Hume seems to have all Rwing "editorials" instead of news

BaudriR: all information,

GreatWASP: I have the propeller whirling.

Ed031639: LIB, yep, both their names will go down in History! Kid'll study this for 100s of years!

BaudriR: act in tow directions:

Buffyee: Hsh..he;s sounding more and more like a tyrant

Mphmb: jl - no nadar! what a disaster that would be

BaudriR: outwardly they produce more of the social,

Hshermanmedia: Buffy--Hope he comes to his senses, if he loses he recount concede and move on

LIB NYC: Ed, Pat Buchanan has sealed his place in history as well.

GreatWASP: Rush is on.

BaudriR: inwardly they neutralise social relations

Jukeboxhero57: you have to provide more i.d. to write a damn check than vote

BaudriR: and the social itself.

Nraforever148123: i go the purchases all the guns that i want today incase the threat to freedom al wins

Mphmb: nm - yes, fox is on the conservative side like cnn on the liberal

BaudriR: But then,

Mphmb: nm - cnbc is not bad

DRedd38019: Buffy James Baker is in FL for Bush. He is one of the best Attorney's in the world!

BaudriR: if the social is both destroyed by what produces it

Mphmb: nm - i like chris

Ed031639: LIB, yeah, good of him to say he didn't believe those votes were his!

BaudriR: (the media, information)

Zombytroof: To vote I had to show my license to someone who didn't compare it to my face.

Hshermanmedia: Buffy--it will take balls for Gore to concede, hope he has them

LIB NYC: Ed, well they're not "his people" anyway

BaudriR: and reabsorbed by what it produces

Buffyee: DR..yes he is...but Gore has that guy that worked for DOJ on Elian

BaudriR: (the masses),

Joel6000: Gollleeeee!! I sure HOPE Buchanan is "SEALED" :))

Buffyee: Hsh..yes

GreatWASP: Hore lost his balls during the Vietnam War.  
 Jldrgm: I had to sign a book and they compared signatures  
 Ed031639: LIB lol, that was a Perot comment!  
 Jukeboxhero57: zomby, in nevadda merely compared signatures to vote  
 BaudriR: it forllows that its definition is empty,  
 DRedd38019: Buffy Oh! The Clinton connections. Good point  
 LIB NYC: Is there any other county in the nation in which Buchanan got 10% of the vote?  
 Rkf75: love the ny post - had their version of "Dewey wins election " 52 YRS later .  
 Mphmb: nm - i do like to listen to mary ( carville's wife) on cnn  
 Buffyee: DR...yep..BINGO  
 WELLSY6: Explain how Fox could predict NH and WV for Bush and the major networks didn't do it for 2 h  
 Hshermanmedia: Lib-don't know, what is the point?  
 BaudriR: and that this term which serves as universal alibi for every discourse,  
 GreatWASP: States Rights - keep Reno out of it.  
 Zombytroof: Right NRA, the govt is going to disarm ALL of us if Gore is elected. What a fool.  
 WELLSY6: hous later  
 LIB NYC: WV for Bush, that shocked me.  
 BaudriR: no longer analyses anything,  
 WELLSY6: and they all blew Florida  
 Mphmb: great - hope there is not any talk of getting reno involved.  
 DayBeDamnd: Ohio for Bush, that was surprising also  
 Jukeboxhero57: lib, lol yeah buchans a real fave with fla jewish retireees  
 BaudriR: no longer designates anything.  
 Buffyee: Wasp...if Bubba tells Reno yo pack her pick-up ..she's on her way  
 LIB NYC: Hsh, would be pretty funny if not even a county in ID showed that, but W.Palm Beach did  
 Mphmb: great - if so, we know something illegal is coming l  
 GreatWASP: LOL Buffyee  
 LIB NYC: Juke, ROFL  
 NMoldCoot: MPH-Matalin does OK-have to wonder about "pillow talk" between Matalin and Carville  
 Ed031639: Zomby, naw, he will not have the votes in congress to do that!  
 DayBeDamnd: FL for Gore, verrrrrry interesting  
 BaudriR: Not only is it superfluous and useless  
 Nraforever148123: zom you are the fool if you have not read the opion of the al & bill justice dept  
 Mphmb: nm - lol you got that right  
 BaudriR: - wherever it appears it conceals something else:  
 WELLSY6: the ballot in W. Palm Beach was and joke and a travesty  
 Hshermanmedia: Lib-might be funny, I agree, but goes back to correctly reading a ballot  
 BaudriR: defiance,  
 LIB NYC: There wasn't only confusion over Buchanan on that ballot by the way  
 BaudriR: death,  
 Zombytroof: Matalin and Carville as a couple have always confused me.

 Sssargon v: ::grins some and looks deep into her eyes:: well then, how about we do something else and  
 Sssargon v: talk less?

 BaudriR: the system's current argument is the maximization of the word  
 DrkScreamX: ~she flicks out her claws and runs them through her fur trying to smooth it out. Tail moves

 DrkScreamX: to curl around her waist.~  
 LXlTricelXl: oh, such as?:like she didn't know full well what he most likely had in mind::

 Rapacious Husky: ::another sigh and he turned away. so he wasn't as good at whoring himself as everyone else  
 BaudriR: and a refusal of the word  
 Rapacious Husky: was, anything wrong with that? he padded away from the plains, back to the inn it seems::  
 BaudriR: - or of the hyperconformist simulation of the very mechanisms of teh system  
 Sssargon v: ::chuckles and murs some:: Well theres only one thing befitting the area, hmmm?  
 XxFergusX: ;::sighs.. stretching out, shaking his head at the husky as he left::I would have gone and  
 XxFergusX: helped

Mustang65Art: i just finished a program for Charro Days  
BaudriR: working continually to produce (good ) sense  
Crowbot32: Hicks....i'm still here omg  
BaudriR: but, at the same time  
Mustang65Art: hello crow  
Hicks599: I'm still listening.  
BuddyKat time: Hey did you guys get bumped too?  
BaudriR: violently defeating it by arousing everywhere a fascination without scruples  
Crowbot32: Baud will your tirade last long  
Blink frequently: Kat...I got a pretty good lag  
BaudriR: that is to say  
BaudriR: a paralysis of meaning, to the profit of a single scenario.  
Crowbot32: because i may need to get another donut  
BuddyKat time: mine .... "WAOL illegal....blah blah  
BuddyKat time: what's this a poet?  
BaudriR: Terrorism is not violent in itself;  
Felice0615: a poet is someone who can rhyme better than I  
BaudriR: only the spectacle it unleashes is truly violent.  
Hicks599: I need a book....any suggestions?  
Crowbot32: Baud try immodium it may help w/your verbal diarrhea  
Blink frequently: Baud please go elsewhere to test out your new thesaraus  
BaudriR: It is our Theater of Cruelty,  
XDayJaVuex: battlefield earth

XDayJaVuex: the book is much better than the movie  
BaudriR: the only one that remains to us  
XDayJaVuex: ?  
BaudriR: perhaps equal in every respect to that of Artaud  
BuddyKat time: oh geez Baud....where are you? in Isolation?  
BaudriR: or to that of the Renaissance  
XDayJaVuex: hey all anyone want a neat encryption prog ?  
XDayJaVuex: hides thing in bmp files  
BaudriR: and extraordinary in that it brings together the spectacular and the challenge  
XDayJaVuex: hide anything in a .bmp file  
Hicks599: oh my....rmaf  
BuddyKat time: yawn...  
BaudriR: at their highest points.  
Blink frequently: Terrorism is cowardise, now go away you ignorant fool  
Crowbot32: <to new to do anything but purge a cashe  
BaudriR: It is at the same time a model of simulation  
BuddyKat time: why would you want to hide something in a bmp file?  
Crowbot32: <would like to purge Baud  
XDayJaVuex: if you didn't want someone seeing it  
XDayJaVuex: like if you sending a file email to someone  
Blink frequently: Probably so that somebody will open it thinking it is a pic and get a better surprise  
XDayJaVuex: and you only want him/her to use it  
BaudriR: a micro-model flashing with a minimally real event

XDayJaVuex: or see it  
 BaudriR: and a maximal echo chamber  
 XDayJaVuex: it doesn't work like that blink  
 Felice0615: bmp; bit map file? isn't that another word for a graphic? how can you hide?  
 BaudriR: like a crystal thrown into an unstable solution  
 XDayJaVuex: it doesn't do anything unless you got the same program  
 BaudriR: or an experimental matrix  
 XDayJaVuex: and have the key code  
 XDayJaVuex: yes bit map file  
 BaudriR: an insoluble equation which makes all the variables appear suddenly.  
 XDayJaVuex: it is how the program works  
 Hicks599: okeey.....dokeey!!!!!!!!!!!!!!  
 BaudriR: Not a real event  
 XDayJaVuex: hidews things inside a .bmp file  
 BaudriR: but a condensed narrative  
 Crowbot32: ....or someone being >CLICKED< into cyberspace  
 BaudriR: a flash  
 Felice0615: and the point is??? kinda like swishing someone's toothbrush in the toilet?  
 XDayJaVuex: it is pretty neat prog  
 BaudriR: a scenario  
 Hicks599: crow...I wanna click!  
 Blink frequently: Baud, not sure if you are intellegent to realize this but you are getting nowhere with this  
 XDayJaVuex: it is limited on what it does with the free version  
 Blink frequently: crowd  
 BuddyKat time: You've had your flash Baud....<click>  
 Blink frequently: move along  
 BaudriR: - that is to say, that which opposes to every event said to be  
 Felice0615: you know it's there, but no one else does?  
 XDayJaVuex: bout 16k files and 2 max in the .bmp file can be hidden  
 BaudriR: real the purest form of the spectacular  
 XDayJaVuex: no one but you and anyone you tell knows anything  
 BaudriR: - and a ritual, or that which, of all possible events,  
 XDayJaVuex: about the file in the .bmp  
 Crowbot32: XD...would u be selling viruses  
 XDayJaVuex: it looks and acts like a normal .bmp file  
 BuddyKat time: sounds neat XDay....but it's beyond my abilities/needs  
 BaudriR: opposes to teh political and historical model or order the purest symbolic form  
 Felice0615: crow, that's kinda what I was thinkin  
 BaudriR: of challenge.  
 XDayJaVuex: no fool, crowbar  
 XDayJaVuex: it is free at download.com

CHEFRAYY: well i gotta run for now..but I'll Be Back  
KIMisLOVED: so ray.... how much do they have ya workin?

Sharpealso: Lauri, no what? Never mind. Wouldn't help me, I'd only envy you.  
CHEFRAYY: 40 hours a week  
Sharpealso: And I already envy Ray  
CHEFRAYY: 3 days off  
BaudriR: absolutely ineffectual at the level of reality  
CHEFRAYY: sun,mon &tues  
KIMisLOVED: {{{{{{ray}}}}}} later!  
Sharpealso: PP, yes. The guilt burden is incredible  
Uncle Lauri: LOL.....I dont think I can be envied.....but thanks for the vote  
BaudriR: but whose implosive energy absorbs everything real  
PPattLimo: Sharp : ) Ihear you.  
Sharpealso: Lauri, you have no idea. I envy anyone who wasn't abused on a daily basis... although  
Sharpealso: I'm sure people who were physically abused had it worse...  
PPattLimo: Bau ok now put that into your own words lol  
Rebus1206: bob...may i ask a question?  
Cameo027: How does one recover from something lost?  
KIMisLOVED: larry?  
Uncle Lauri: Bob I was never abused by my Family...I am so sorry you were  
BaudriR: and all the volence of real pwer which founders there.  
KIMisLOVED: LARRY?????  
Ckhlwh: Kim????  
KIMisLOVED: whatcha doin?  
Uncle Lauri: Bob...abuse is abuse...many forms many scars  
COBURN VALLEJO: Good Morning everyone!  
Ckhlwh: cookin breakfast, want some?  
KIMisLOVED: morning CO  
KIMisLOVED: mmmm... yeah  
Songstres3: Bob, I'mn ot sure that's true  
KIMisLOVED: whatcha cookin?  
Ckhlwh: <-making gravy for my bisquits  
KIMisLOVED: yummmmm... and you're a yankee????  
Sharpealso: Sue.... in therapy yesterday I nearly cried for the child I was  
Ckhlwh: ++++++++ Lauri ++++++++  
Cameo027: Bob, People abuse others on a daily basis. The big guy puts us here to see how much  
BaudriR: Such a model is no longer of the order of transgression:  
Sharpealso: I felt sooo sorry for him.  
Cameo027: one can tolerate.  
BaudriR: repression and trasgression  
COBURN VALLEJO: Are they homemade biscuits?  
Uncle Lauri: {{{{Bob}}}} I never hug you....but I felt the need  
BaudriR: are of the old order of the law  
KIMisLOVED: is it sausage gravy?  
BaudriR: that is to say  
Ckhlwh: <-haven't mastered the homemade bisquits quite yet  
Sharpealso: Lauri, thanx. I appreciate it. Know what? I was talking about this in therapy yesterday  
BaudriR: of the order of a real system in expansion.  
Cameo027: Ck, lol  
Uncle Lauri: Great, Bob!!!  
Songstres3: Bob, I HAVE cried..... and what I suffered wasn't NEARLY as bad as alot  
Ckhlwh: Of course, a mixture os pork and italian saugage  
BaudriR: In such a system, all that comes into contradicitn with it

Uncle Lauri: What I know...I love and respect.....  
 BaudriR: Around this tiny point  
 Rebus1206: i just have to go with that....  
 BaudriR: the whole system of the real condenses  
 Rebus1206: and forgive....and get on with my life....  
 Songstres3: Clara, and I know my Mom did too, I'm seeing alot now that I never did before  
 BaudriR: is tetanized  
 Songstres3: She's always been a very insecure woman  
 BaudriR: and launches all its anti-bodies.  
 Sharpealso: I remember when I was about 10 my dog was killed by a car.  
 Cameo027: Uncle, rofl. I love what I love, Few are deserving  
 Rebus1206: i think..if i held on to....the past....i would not grow in the future  
 COBURN VALLEJO: We always have to say to ourselves there is some one out there put through  
 BaudriR: It becomes so dense that it goes beyond its own laws of equilibrium  
 Sharpealso: I was devastated, that dog was the only person in the house who didn't abuse me....  
 Songstres3: Clara, that's the entire point of dealing with it... and you're doing that  
 Cameo027: Rebus, you think? How does one forgive?  
 Sharpealso: my mother made me go bowling, so I wouldn't interfere with her bridge game  
 KIMisLOVED: bob.... did you save him?  
 Eyesbignbrown: Sue....I called the Sherriff's office and the FB I  
 BaudriR: and involutes in it s own over-effectiveness.  
 Songstres3: Deb, GOOD  
 Sharpealso: KIM, no. It was a pretty bad day all around  
 COBURN VALLEJO: more than what we were pt through and survived  
 BaudriR: At bottom  
 Eyesbignbrown: I will be seeing the sherriff later today  
 Songstres3: You needed to do that  
 KIMisLOVED: sorry bob  
 Cameo027: Rebus, doesn't it really depend on the circumstance?  
 Eyesbignbrown: they want to take the report from my home where it was mailed  
 COBURN VALLEJO: and remained sane and grow strong  
 Rebus1206: cameo...for me..it is my faith....  
 Eyesbignbrown: so I have to call them back after work  
 BaudriR: the profound tacticof simulation  
 KIMisLOVED: Deb?? what happened??  
 Sharpealso: KIM, yeah me too. Not a day goes by I don't miss him, and feel guilty  
 Rebus1206: i think...if God can forgive us....  
 Rebus1206: well certainly....i can...  
 Eyesbignbrown: Kimmers.....I recieved a very scary letter from a prison inmate  
 Rebus1206: and that may sound lame  
 BaudriR: (for it's very much a matter of simulation in the terrorist model  
 Eyesbignbrown: don't know if he is mistaking me for someone or if he is stalking me  
 KIMisLOVED: wow.... did you know him?  
 BaudriR: and not of real death)  
 Sharpealso: Clara, I'm afraid I don't have that luxury  
 Rebus1206: but..without forgiveness....there is no growth...  
 Eyesbignbrown: I have never heard of him  
 Cameo027: Rebus, Yeah. The big guy has always been my foundation but what does one do  
 Rebus1206: it hurts you...  
 BaudriR: is to provoke an excess of reality  
 Cameo027: when he is not listening and is busy?  
 Eyesbignbrown: I looked his record up and he has gone to prision twice for threatening letters  
 BaudriR: and to make the system collapse under an excess of reality.  
 KIMisLOVED: wow  
 Songstres3: Deb, and if this IS something instigated by someone else... that  
 Songstres3: person is gonna be in some REAL big dodo  
 Cameo027: Reb, I agree  
 Eyesbignbrown: I am very nervous about the whole thing but hope I am not over-reacting  
 Rebus1206: cameo...perhaps...then...i need to take time to listen

Sharpealso: Clara, I think you're 100% right. But some of us have been so conditioned that it's nearly  
 Sharpealso: impossible to forgive oneself  
 KIMisLOVED: glad you reported it  
 Songstres3: Deb, I don't think you are.. you HAVE to be safe  
 Eyesbignbrown: Sue....who knows.....I am a big ball of the shakes right now  
 Rebus1206: and bob...that is the key  
 Songstres3: THe letter came to YOUR address...  
 Rebus1206: to forgive yourself  
 Eyesbignbrown: he could b e getting out any day  
 Rebus1206: and accept yourself  
 Sharpealso: Hey, did I tell anyone here about my dream with the shark?  
 Rebus1206: totally..and unconditionally  
 Rebus1206: this is just me  
 KIMisLOVED: damn larry  
 Sharpealso: Analyzed it yesterday in therapy. Fascinating  
 KIMisLOVED: sittin here thinkin bout biscuits and gravy now  
 Rebus1206: there are no easy answers....but...  
 Sharpealso: Man, when a dream makes sense it's really weird and eye opening  
 Rebus1206: i have to do...what i have to do for me....  
 Rebus1206: this is my way
